Dear Sir/Madam,

I am Akash Jaiswal, currently pursuing my B.Tech in information technology. As I am in the procedure of finding the right job, I identified your company and find it the right place as I will have the scope of being a part of the technical team, where I can execute my technical knowledge, which is my area of interest.

I had done lots of projects in python and machine learning & have got practical knowledge during this project tenure. I have also attended a workshop program at Packt Publishing Ltd, where we Built key Python skills with engaging development tasks and challenging activities and write programs to solve real-world problems.
Applied Python in realistic data science projects and created simple machine learning models.

I would like to be a part of this reputed firm, where I can utilize my skills, knowledge & talent. This would be the right opportunity and I strongly believe that if given a chance I will prove myself and contribute to the growth & success of the organization.

Kindly find the attached CV for your reference.

Hope to hear from you soon.

Regards,
Akash Jaiswal
